Access to The Private Pod

Accessing & Reserving the Private Pod (Room 107)

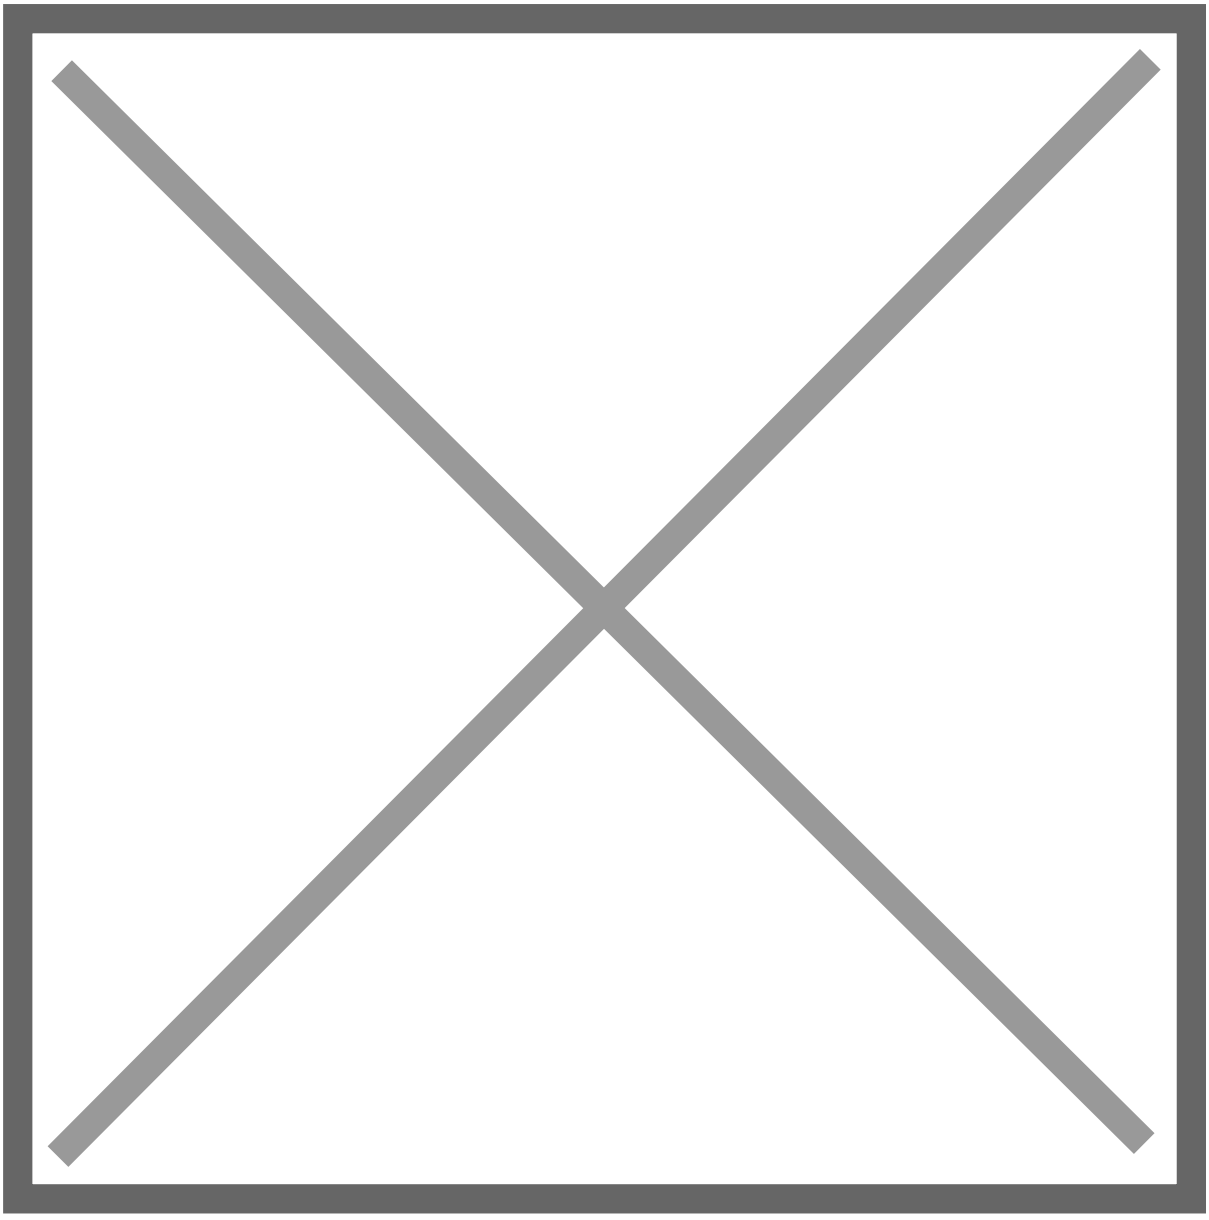

All MLML faculty, staff, and students have **full access to the Private Pod calendar** and can make reservations directly through Google Calendar.

Add the calendar: You can add **MLML Main Lab-1-107-MLML – The Private Pod – Room 107 (20)** by going to **Other calendars → + → Browse resources**, or use the **direct calendar link below.**

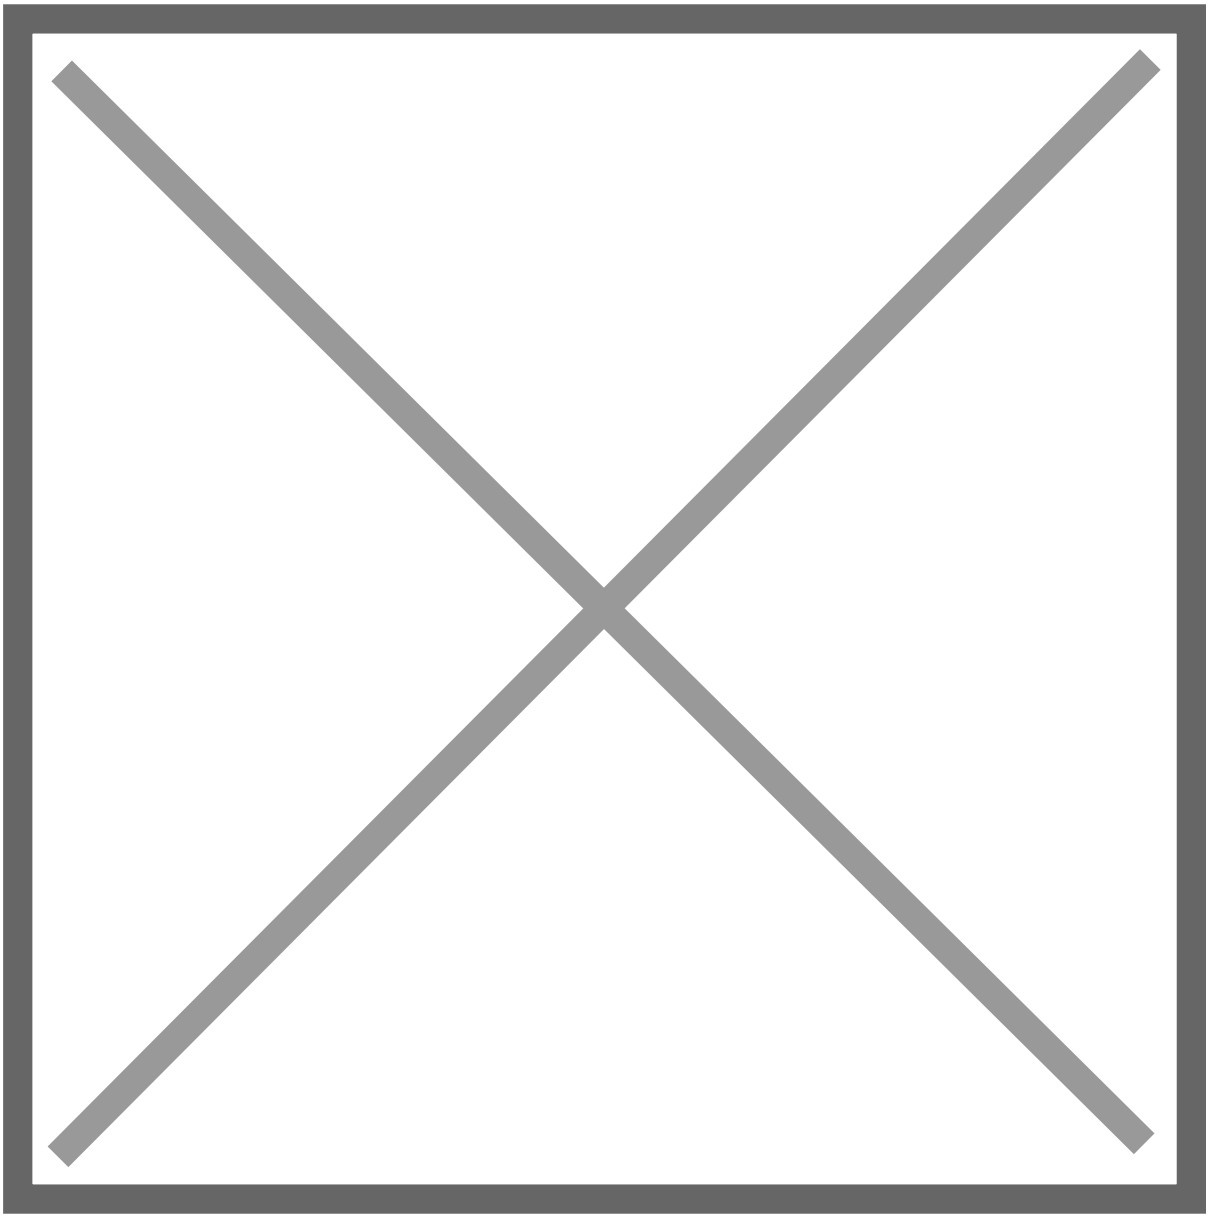

Resource Calendars:

From the Dropdown arrow, select the calendar of interest: ***(The Private Pod)***

Private Pod Calendar: *Direct Link*

Make a reservation: Select an available date/time on the Private Pod calendar and create your event. Be sure to **add yourself and any attendees as guests**, then save.

Tip: Once added, you can **check/uncheck the Private Pod calendar** to show or hide it from your Google Calendar view.

For more on MLML Google Calendar and Reservations.
